We are down to the nitty gritty again on getting volunteers (FOP/FOPA members, spouses, girlfriends, boyfriends, fiancées, children, family, friends...) for the parking detail at the Hartford Fair. We are in desperate need of more volunteers to cover the shifts for the week of 6 August - 13 August. The shifts run from 0800-1200, 1200-1600, and 1500-2100 hours. The Hartford Fair Board is donating \$10.00 to the FOP for every hour we volunteer on the parking detail. We have the ability to make almost \$9,000.00 for this fundraiser. Because of the lack of our members (FOP and FOPA) signing up we have had to offer some other organizations an opportunity for them to make some money that we would donate to them. We have a signed contract with the fair board that we will provide the volunteers to work this detail, since we can't get our members to volunteer we have decided to get others involved and donate to them.

We urge you to please consider working a shift or two (8-10 hours) during the week. Your volunteer hours **WILL** benefit your FOP Lodge. If outside organizations volunteer most of the hours, then the majority of the money we will be getting will go to those organizations.

After the completion of the Fair we plan on having a cookout (late August/early September) at the FOP Lodge for those that volunteered for the parking detail and there will be five \$100.00 drawings for our members (and spouses, children, family, friends...) that volunteered at the fair. Your name will be entered once for every four hours you volunteered. You need not be present at the cookout to win.

Please contact Mary Stare at 740-405-1744 to find out the availability of shifts and to sign up.

FOP Offers SB 5 Grassroots Political Training Sessions

We have kicked off our trainings on our grassroots at the 77th Annual Conference in Canton and now it is time to take it on the road. Level one is for everyone, so that our members can take our message to their friends and neighbors and fellow voters. Level 2 training will start at 1230 and run to 500 pm and this course is limited to 25 people. Level 2 is for people who will be asked to speak to neighborhood groups, the media or other groups. You must have been to level 1 to attend level 2. Let's fill up the hall for this training. It could not be more important. If we are going to win in November, we must be message disciplined, we must be laser beam like focused and this training is where we will start.

The way to win our fight to maintain our rights is to be message disciplined. We will train our members on campaign strategy and media relations that is coordinated with our message. We have never been involved in things like this, so the training will tell you what works and what does not, as far as campaign tactics. The training will be offered in two parts. Level 1 training is for the average member, who will be volunteering on the campaign and who will be talking to their friends and neighbors (that means everyone). Level 2 will be limited to 25 members per class and is designed for those who will be speaking to the media, neighborhood groups and in other public settings. You must attend Level 1 to attend Level 2. Lunch will be provided for Level 2 attendees. We have selected the following dates and locations for the training:

August 4 - Akron Lodge 7 Level 1 9:00 am to 12:00 pm Level 2 12:30 pm to 5:00 pm - 2610 Ley Drive, Akron, Ohio

August 9 - Toledo Lodge 40 Level 1 9:00 am to 12:00 pm Level 2 12:30 pm to 5:00 pm - 255 Gradolph St. Toledo, Ohio

August 22 - Columbus Lodge 9 Level 1 9:00 am to 12:00 pm Level 2 12:30 pm to 5:00 pm - 6800 Schrock Hill Ct. Columbus, Ohio

August 23 - Dayton Lodge 44 Level 1 9:00 am to 12:00 pm Level 2 12:30 pm to 5:00 pm - 4275 Powell Rd, Dayton, Ohio

August 25 - Cleveland Lodge 8 Level 1 9:00 am to 12:00 pm Level 2 12:30 pm to 5:00 pm - 2245 Payne Ave, Cleveland, Ohio

August 30 - Zanesville Lodge 5 Level 1 9:00 am to 12:00 pm Level 2 12:30 pm to 5:00 pm - Parry Drive, Zanesville, Ohio

Please RSVP for Level 2 training to Paul Hlynsky at p364h@aol.com. If we have more members than we have space for Level 2 trainings, we will hold more trainings. The reason we have to limit the training to 25 members is because we are having hands on exercises that will limit us to that number. These trainings will be essential. The key to this campaign will be to maintain our message discipline. Our opponents will say all kinds of crazy things about us, there will be TV or radio ads that are misleading at best, but we will need to stay on message. We must be disciplined and focused on winning, and this is the way to a victory on November 8.

FOP Lodge #127 Political Endorsements for November 2011

Letter to the Editor from State FOP President Jay McDonald

Dear Editor,

On Wednesday, August 3, Ohio Secretary of State Jon Husted and the Ohio Ballot Board will meet to determine two important issues pertaining to Senate Bill 5, the unfair attack on employee rights and worker safety.

First, they must decide whether voter approval of Senate Bill 5 will be a "yes" or "no" question on the November ballot. We believe the answer to this question is clear. Article 2, Section 1c of the Ohio Constitution provides that where a referendum petition has been filed on a law passed by the General Assembly, the law shall not take effect until and unless approved by a majority of the voters. Voters do not approve something by voting "no". It's that simple.

Second, the Ballot Board will finalize ballot language on the question. We believe that this language should be clear, fair, and representative of what Senate Bill 5 does and not be subject to political trickery in an attempt to thwart the power of the people. More than 1.3 million Ohioans signed the petition to exercise their right to a citizen's veto. They should not be subjected to political tricks when they go to the polls on November 8, 2011.

When Secretary Husted ran for office last November he ran on a platform of fairness. We believe that Secretary Husted has held up his promise of fairness. We call on Secretary Husted to continue to make good on his promise by following the Ohio Constitution and long standing legal precedent and not succumb to political pressure from political insiders. We believe he will do the right thing.

Committee Forming on Disabilities in our Pension System

The State FOP is forming a committee to study the disability proposals and other thoughts that have been put forth about disabilities in our pension systems. This committee will ultimately have great input into our position on the proposals coming forth. Any members who are interested in working on a committee about disability pension issues, contact Mark Drum at mdrum@fopohio.org to express their interest.

FOP Looking For Leaders in Veteran's Organizations

The Fraternal Order of Police is looking for members who are members of Veteran's organizations in Ohio. We are specifically looking for leaders in these organizations who would be willing to speak on our behalf to their organizations about Senate Bill 5. We would prepare you about the issues and make it as easy as possible for you. Did you know that Ohio has the 6th largest population of Veteran's in the country? They will be an important voting block in November and we need your help in finding leaders of the FOP and leaders of the Veteran's organizations, like the VFW and the American Legion.
